Data Protection

Privacy Notice

Pembrokeshire Association of Community Transport Organisations (PACTO) is a Registered Charity (no. 1148810) which works to develop and promote community transport services in and around Pembrokeshire.

As you have expressed an interest in the Minibus Driver Awareness Scheme (MiDAS), we have a Legitimate Interest under the General Data Protection Regulations to collect the information provided on this form and other information which is required in order to carry out the MiDAS Assessment, for example details of your Driving Licence.

We promise to keep your personal information safe and secure and we will not keep your information on file any longer than we need to. We will use the information you have provided to help us plan and provide your MiDAS Assessment. We maintain a confidential Database of MiDAS Certificate holders in Pembrokeshire, so that organisations and minibus operators can check with us whether a driver holds a valid certificate. We will contact you again prior to the expiry of your certificate.

MiDAS is a UK scheme, administered by the Community Transport Association (CTA). We are required to share details of successful candidates with the CTA. If you are an employee of Pembrokeshire County Council or one of Pembrokeshire's schools (excluding private or independent schools), we will also pass your information to Pembrokeshire County Council's Transport Unit on completion of your assessment.

We maintain a separate database of drivers willing to be contacted by other groups or organisations looking for a minibus driver. If you are willing to join this list, your contact details may be shared with other organisations for this purpose only.

We will not share your personal information with anyone else without asking you first.

If you have any questions about this, please contact PACTO's Training Coordinator on 07535 921528 or craig@pacto.org.uk
