What is Take Me Too! ?

Take Me Too! matches people who need a lift, or who would like to lift share, with someone who is going their way.

Take Me Too! is for everyone in Pembrokeshire who:

- struggles to make a journey because they can't drive; don't have a car; public transport or taxis aren't available; or money is tight.
- wants to see better use of all the car journeys made every day in Pembrokeshire with empty seats going spare.
- wants to build better, more connected, communities that we all want to live in.

Sharing journeys is also a greener way to travel, so you'll be doing the planet a favour too!

How much does it cost?

It's free to sign up.

We expect passengers to pay towards the drivers' expenses, based on journey mileage. Take Me Too will send both driver and passenger a suggested amount, before the lift takes place, so everyone is clear.

How does Take Me Too! work?

All drivers and passengers must sign up at www.takemetoo.org.uk or by calling 01437 775033 (10 a.m.- 1 p.m. Monday to Friday).

To sign up with Take Me Too! (as a driver or a passenger) you must:

- Be aged 18 or over.
- Live in Pembrokeshire or need to travel in and around the county.

Drivers must also

- Hold a full valid driving licence, with no more than 6 penalty points for minor driving offences.
- Have access to a car which is taxed, insured and has a current MOT.

Once you are registered, you can make a journey request. You can go anywhere, at any time, and for any reason, as long as your journey starts or ends in Pembrokeshire.

We will send the request out to all the drivers that we think might be able to help.

We won't expect drivers to make a special trip, but hopefully someone going your way will be happy to offer a lift.
